

# **AGRICULTURAL RESCUE TRAINING**

## **SCENE MANAGEMENT**

**Save the Date**

**October 22 – 23, 2021**

**If you are not there, who will be?**

**A must attend program for all levels of EMS / Fire / Rescue – that deal with agricultural as well as industrial rescue incidents.**

**With the support of:**

**Auction of Champions –Fund a Need Benefactors**

**Heiman Holsteins**

**Pittsville Fire Co.**

**National Farm Medicine Center**

**Life Link III**

### **General Information**

**Rescue personnel responding to farm or industrial accidents will often be entering environments more dangerous to them than other calls to which they normally respond. The goal of the program is to increase first responders' awareness of farm hazards, how to preplan those responses, and use specialized equipment and techniques. Mark your calendars now – Visit [agrescue.org](http://agrescue.org) to register and to find additional information.**
