

No Farmer. No Farm.

Within 2 years of a fatal tractor rollover,
60-70% of farms are out of business.

ROPS are
99% effective
in preventing
rollover deaths
and serious injury.

70%
REBATE

Save up to \$865 on costs
to retrofit your tractor

If you are driving a tractor without rollover protection, you are taking a risk each time you hop on. **Don't bet the farm.** Call today to find out how you can save 70% off the cost of retrofitting your tractor.

ROPS Rebate Program

The Facts:

- Tractor overturns are the leading cause of farm-related deaths.
- Rollover protection structures are 99% effective in preventing these deaths.

The Program:

- The National Farm Medicine Center received generous donations from the Auction of Champions, an annual fundraiser for farm health and safety in Marshfield WI, to develop a ROPS Rebate Program.
- The ROPS Rebate Program will rebate 70% of the cost of purchasing and installing the ROPS and seatbelt (up to \$865 maximum).

How It Works:

- Call the ROPS Hotline (1-877-ROPS-R4U or 1-877-767-7748) or visit www.ropsr4u.com for registration.
 1. Hotline staff will research the ROPS options for your tractor make and model, provide estimated costs, as well as sources for purchasing ROPS. This information will be sent to you by mail.
- Choose the ROPS options you like best.
- Call the ROPS Hotline to obtain pre-approval for the ROPS option you selected before you order (**PRE-APPROVAL IS REQUIRED TO ENSURE REBATE FUNDS ARE AVAILABLE**).
- Order your ROPS through your local dealer or the ROPS manufacturer.
- Call the ROPS Hotline to confirm the order and reserve your rebate money (cost may be different than the estimate).
- Send copies of receipts (proof of purchase and installation of ROPS and seatbelt) to Hotline staff.
 1. A rebate check will be mailed to you within 30 days of receiving your receipts.
